

Are You Ready for the New Opportunities?

Matthew 6:1-18

Acedia: means apathy and inactivity in the practice of virtue....

It literally means, "I don't care."

How do we prepare ourselves and move away from being
spiritually lazy?

We cannot prepare ourselves and we cannot even begin to rid
ourselves of spiritual laziness, but Jesus can.

Christ needs room to change us.

Two Types of Human Response:

We can ignore what's coming and be surprised and shocked
when things don't go right.

We might reflect upon God asking a questions of us: "Where
are you?"

Are you prepared to face what God has in store?
